**Renewal of Medical Assessment:  
Class I**

A person is writing in a notebook with a pencil. In the background, there is a laptop and a tablet. The scene is dimly lit, suggesting a focused work environment.

# Training Objectives

By the end of this module, you will be able to:

- Identify the pre-requisites for renewal of a medical assessment by Class I applicants.
- Define the renewal process for a class I medical assessment.
- Distinguish between the case scenarios for existing pilots.
- List down different sections from a medical form.
- Apply validation and business rules.

# Introduction

The Directorate of Medical is responsible for the approval and issuance of Class I, II and III medical **assessment** to a pilot applicant/Air Taxi and Commercial Operator (ATCO) which is a pre-requisite for issuing a license.

This training aims at covering the following topics:

- Renewal of class I medical assessment.
- The pre-requisites and process flow for obtaining a medical assessment.
- The components of a form used for filing a medical assessment (Renewal).
- The roles and responsibilities of each party involved.

## Introduction

All candidates must obtain a medical clearance each time they wish to get their licenses renewed.

This topic gives an insight to the procedure of undergoing the renewal of a medical examination with an approved medical authority as per the medical standards notified by the Medical Directorate of DGCA. In this training we will cover the renewal procedure for Class I candidates. Class I medical assessment is required for applicants and holders of:

Commercial Pilot's License (Airplane and Helicopter)

Application registration  
with existing computer and  
PMR no

Medical form submission

Medical examination

Renewal of medical assessment

Renewal of Medical Certificate

## **Pre-requisites for Class I Renewal**

## Understanding the pre-requisites

All candidates must obtain a medical clearance each time they wish to get their licenses renewed.

The applicant must be registered on the DGCA portal with a valid eGCA ID.

The candidate must be over and equivalent to 16 years of age but not more or equal to 65 years.

**If the applicant do not have a prior medical assessment.** The candidate must also have an approved NOC from the Medical Directorate.

**Renewal is done based on last medical assessment validity.**

# **Process Flow: Class I Medical Renewal**

## The Flow Chart

Let us understand how a medical assessment is issued to Class I applicants.

The applicant visits the eGCA portal and signs-up as a existing user. A unique ID is issued and sent as an email or a text message.

Next, the applicant visits the eGCA portal to raise a request for a Medical.

Applicant selects the DGCA empaneled Class 1 Examiner for medica.

## The Flow Chart

Let us understand how a medical assessment is issued to Class I applicants.

Step 4

The applicant is then required to fill the e-form as per the nature of request. He / She submits the application online along with a photograph. The e-form must contain the applicant's complete personal details and medical declaration.

**Note:** *Format of an e-application*

**E-Application ID–YYYY/eGCA ID/MD/MEA/0000000001**

YYYY-Current Year

MD – Medical Directorate

MEA- Medical Examination Assessment

Step 5

An application ID is generated on form submission. Additionally, an email and SMS notification is sent to the applicant.

The email will contain the list of blood tests that he/she needs to perform.

Step 6

Upload investigation reports before going for the medical examination.

## The Flow Chart

Let us understand how a medical assessment is issued to Class I applicants.

The applicant visits the DGCA empaneled Class 1 Examiner for checkup and re-validates the form in front of the examiners.

The Applicant has to carry hard-copy of ID proof that he had uploaded during registration and that ID will be verified.

The examiner will conduct the checkup and after that the applicant will be issued a medical certificate.

The medical certificate is available for download at the eGCA portal.

DMS(CA) at the Medical Directorate receives the medical application.

The Medical Directorate DMS(CA)/team marks the applicant as fit/temporary unfit/permanent Unfit.

**Note:** In case of DGCA empaneled examiners, a single examiner will conduct the checkup.

## The Flow Chart

Let us understand how a medical assessment is issued to Class I applicants.

In case of fit, the medical assessment will be sent over eGCA portal as well sent through email.

In case of temporary unfit, recommendation will be sent to the applicant through email.

In case of permanent unfit the e-application goes to DGMS (air) for approval.

A medical assessment is generated, and a PDF is available for download at eGCA portal with applicant login.

The medical assessment in a PDF format is sent to the applicant and the applicant's employer.

**Note:** For renewal, the applicant must apply 0-30 days prior to expiry of validity.

**Note:** If the applicant was declared temporary unfit in the last assessment, he/she can reapply after completion of unfit period.

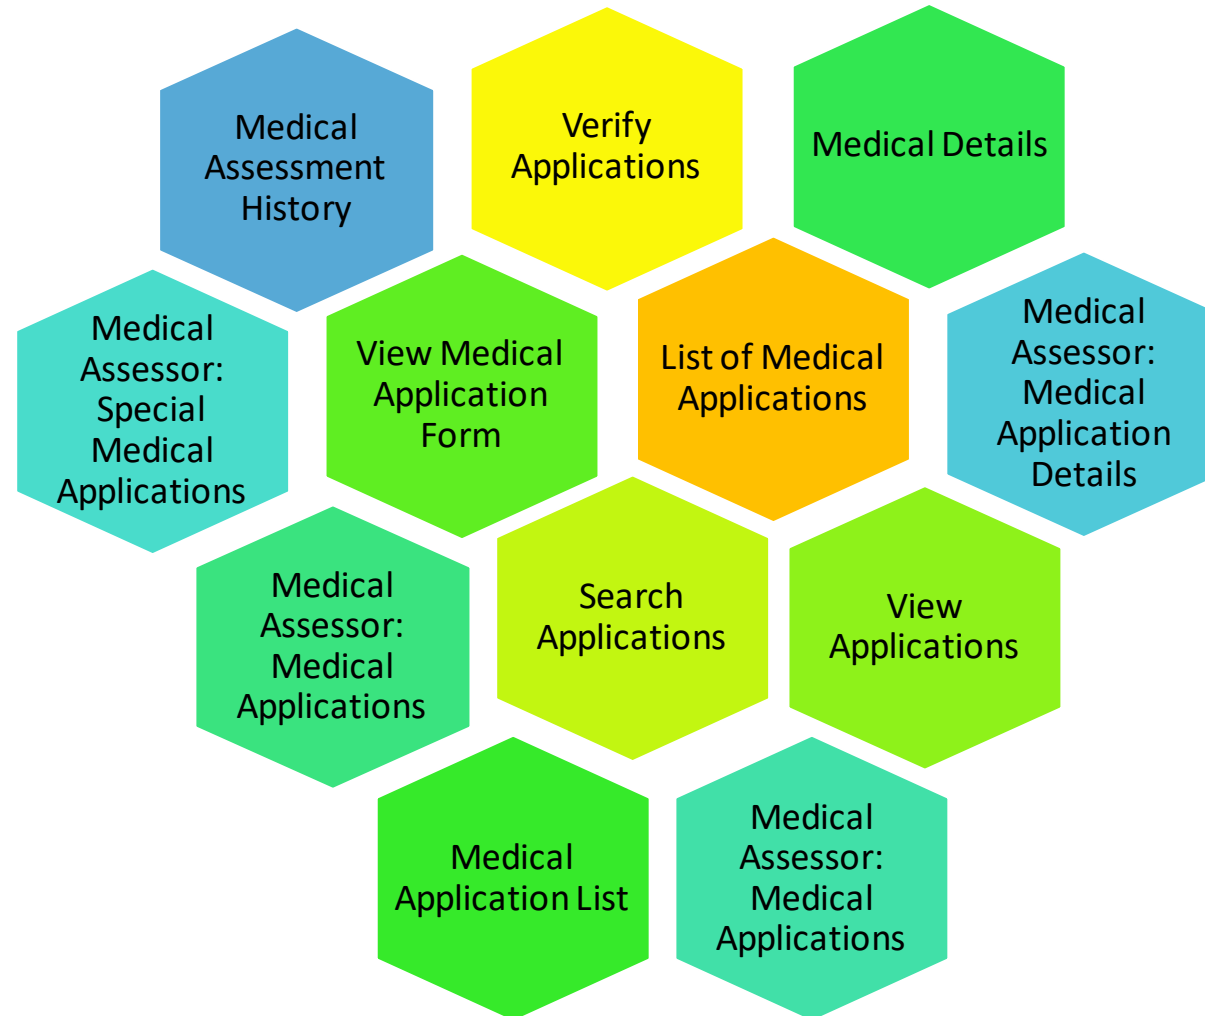

He/She can only apply in 5 main centers within 0-30 days post unfit period.
